

Neutral Scrub Neutral Foaming Floor Cleaner

A concentrated low foaming neutral cleaner to effectively penetrate and lift oils, grease, soap scums, soils and dirt. Designed for use through either high pressure cleaning equipment or manual application for the cleaning of floors, walls, counters, equipment and other hard surfaces. Neutral also will not dull, haze, or streak floors that are finished with high gloss acrylic finishes. When used on a daily or frequent floor care program, dirt and other soils are quickly removed.

This versatile product is one of the many products in our Green Clean Line of environmentally formulated cleaners. These cleaners are safe for the user, the surface being cleaned, and the environment.

BENEFITS:

- Special deep penetrating multi-surface cleaner.
- Specially formulated for dilution control systems.
- USDA approved.
- Neutral formula will not dull, haze or streak high gloss finishes.
- No rinse formula.
- Highly concentrated formula allows for economical use.

DIRECTIONS FOR USE:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read SDS and test in a small inconspicuous area.

Dilute product 1-2 oz per gallon of water.

If using a portable dilution center connect Neutral to Portable device, fill container, and then flush system if incompatible materials will be used.

PURCHASERS NOTE: Important notice to purchasers: The following is made in lieu of all warranties, expressed or implied, including warranties on merchantability in fitness for a particular purpose. Purchase or use of this product constitutes agreement with seller and manufacturer that if the proves to be defective or in any way unsuitable, Seller's and Manufacturer's limit of liability for all damages including but not limited to incidental or consequential damages, and users and purchasers exclusive remedy, regardless of legal theory including theories of breach of warranty, negligence, and strict liability, shall be to receive at Seller's or Manu-

Low Foaming Neutral Floor Scrub

Caution:
For Professional Use Only.
Keep Out Of Reach Of Children.
Please read all precautions and SDS
before using this or any product.

Prevention:

Do not eat, drink, or smoke while using this product.

Avoid breathing fumes, mist and overspray as much as possible. Use only in well ventilated areas.

Eyes: Wear safety glasses when handling product.

Skin: Wear appropriate gloves to prevent skin exposure.

Clothing: Wear appropriate protective clothing to prevent skin exposure.

Respirators: Follow the OSHA respirator regulations if exposure limits are exceeded or if irritation or other symptoms are experienced.

Precautionary Statements (First Aid):

Eyes: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Remove contact lenses if present and easy to do. Get medical attention immediately if irritation persists.

Skin: Immediately flush skin with plenty of water for at least 15 minutes while removing any contaminated clothing and shoes. Discard contaminated clothing in a manner which limits further exposure, making sure to wash before reuse. Contact a physician immediately if irritation persists.

Ingestion: Do not induce vomiting. If victim is conscious and alert, give 2-4 cups of water. Never give anything by mouth to an unconscious person. Get medical attention immediately.

Inhalation: Remove from exposure and move to fresh air immediately and keep comfortable for breathing. If breathing is difficult, give oxygen. If breathing has ceased apply artificial respiration using oxygen and a suitable mechanical device such as a bag and a mask. Get medical attention immediately if irritation persists.
