Please read all precautions and SDS
before using this or any product.

A natural solvent distilled from citrus peels with detergents that has pleasant scent. A none petroleum solvent cleaner that will emulsify oils and grease so they may be hosed off. Made with pure citrus oils to protect the environment from the hazards of hydrocarbons and chlorinated solvents. This product will penetrate deep, removing the toughest grease and oils. Also great for use as an all natural asphalt release agent.

DIRECTIONS:

To declog drains and disposals, pour eight ounces of CITRUS CLEAN directly into opening. Let stand for one hour or more. Flush with hot water. To clean and degrease surfaces, add four ounces of CITRUS CLEAN to one gallon of warm water. Apply solution generously to surface to be cleaned. Let stand for five minutes. Rinse thoroughly. To remove flooring adhesives, apply CITRUS CLEAN full strength to floor and agitate with a stiff broom. When the adhesive has been sufficiently loosened use an oil absorbing material, such as those used in service stations, to pick up the remaining liquid.

CITRUS CLEAN is a concentrated organic formula that may be harmful to plastics or painted surfaces. Test surface in an inconspicuous area before using. CITRUS CLEAN is a powerful solvent and will defat skin. Rubber gloves are recommended to avoid chapped skin. Keep container tightly closed when not in use.
