Floor Cleaner HD

Heavy Duty Low Foaming Floor Cleaner & Rust Remover

Net Contents: On Containers

Caution:
For Professional Use Only.
Keep Out Of Reach Of Children.
Please read all precautions and SDS
before using this or any product.

A powdered, alkaline deep penetrating detergent designed for use on all concrete floors. Contains special wetting and penetrating agents, allowing the product to do work, saving time and labor. This product contains special low foaming detergents, allowing for auto scrubber cleanup. Will leave areas smelling fresh and clean. For use in warehouses, on plant and factory floors, plant washrooms, and the like.

Directions For Use:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read SDS and test in a small inconspicuous area. For professional use only by trained personnel.

For heavy duty cleaning, disperse directly onto floors surface. Allow product to sit for 5-10 then rinse. For optimal results wet floor first, then disperse product. This allows for great surface penetration.

If a mop bucket application is desired, mix 1-6 ounces of product per gallon of warm water. Mix till completely dissolved. Wash then rinse. More concentrated solutions may be required depending on the quality of the floor being cleaned.

Make sure to use proper protective clothing when applying handling this chemical.

Danger!
Causes severe skin burns and eye damage.
Causes serious eye damage.

Prevention:

Do not eat, drink, or smoke while using this product.

Avoid breathing fumes, mist and overspray as much as possible. Use only in well ventilated areas.

Eyes: Wear safety glasses when handling product. Skin: Wear appropriate gloves to prevent skin exposure.

Clothing: Wear appropriate protective clothing to prevent skin exposure.

Respirators: Follow the OSHA respirator regulations if exposure limits are exceeded or if irritation or other symptoms are experienced.

Precautionary Statements (First Aid):

Eyes: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Remove contact lenses if present and easy to do. Get medical attention immediately if irritation persists.

Skin: Immediately flush skin with plenty of water for at least 15 minutes while removing any contaminated clothing and shoes. Discard contaminated clothing in a manner which limits further exposure, making sure to wash before reuse. Contact a physician immediately if irritation persists.

Ingestion: Do not induce vomiting. If victim is conscious and alert, give 2-4 cups of water. Never give anything by mouth to an unconscious person. Get medical attention immediately.

Inhalation: Remove from exposure and move to fresh air immediately and keep comfortable for breathing. If breathing is difficult, give oxygen. If breathing has ceased apply artificial respiration using oxygen and a suitable mechanical device such as a bag and a mask. Get medical attention immediately if irritation persists.

Notes to Physician: Treat symptomatically and supportively. Consult a doctor and/or the nearest Poison Control Centre for all exposures.
