

## FOAMING CITRUS CLEAN

This product is an amazing multi-purpose aerosol foaming cleaner/degreaser containing the all-natural citrus extract dextro-limonene. This product is designed for industrial and institutional applications. The thick clinging foam makes this product effective for vertical surface cleaning/degreasing. This product is particularly effective in food processing facilities for emulsifying vegetable oils and animal fats, and in industrial/automotive areas for heavy-duty degreasing. This product can be used safely with minimal protective equipment.

### DIRECTIONS FOR USE:

**General Cleaning/Degreasing:** Kitchens, food processing areas, plastics (do not use on styrene), equipment, appliances, etc. Spray foam directly on surfaces soiled with food, grease, oil, dirt or grime, allow to sit for a few seconds, then wipe clean with damp cloth or sponge. In USDA inspected facilities, follow with a potable water rinsing prior to use.

**Heavy-Duty Cleaning/Degreasing:** Industrial, institutional, automotive areas, for removing grease, oil, inks, carbons, dyes, latex, tape/adhesive residue, road tar and cosmoline. Spray foam directly on surfaces, agitate if necessary, then wipe clean with damp cloth or sponge.

This product is safe for cleaning stainless steel, aluminum, brass/other metals, exhaust hoods and screens, printing presses, rollers, blankets and ink fountains, concrete and stone floors, linoleum, industrial equipment, auto engines, and whitewall tires.

**WARNING:** Contains gas under pressure; may explode if heated.  
Causes eye irritation.

**PRECAUTIONARY STATEMENT:** If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Wash hands thoroughly after handling. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. Protect from sunlight. Store in a well-ventilated place. Dispose of contents and container in accordance with all local, regional, national and international regulations.

**CONTAINS (CAS No.):** Nonyl Phenol Ethoxylate (127087-87-0), Butane (106-97-8), d-Limonene (5989-27-5), Isopropyl Alcohol (67-63-0), Propane (74-98-6).

**READ SAFETY DATA SHEET BEFORE USING.**  
**KEEP OUT OF REACH OF CHILDREN.**

VOC Content: 7.9%
