

LemonSuds Pot & Pan Detergent

A powerful detergent that is easy on hands. Leaves them silky and smooth. Premium concentrate that may be used on all types of soils and surfaces. This free rinsing formula whisks away with a minimum of water spotting. The high sudsing surfactants produces long lasting, billowing suds that cut through the toughest greases.

Benefits:

- Produces a robust foam.
- Highly viscous product.
- Built for use in hard water applications.
- Removes heavy greases and oils from dish surfaces.
- Contains lotions to prevent hands from drying out.
- Pleasant apple orchard scent.
- Offers high use yields.

Use Instructions:

For dishes, glasses, silverware & other eating utensils: Use at 1/4 to 1/2 ounce per gallon of warm water. If unusually heavy soil conditions prevail, increase the amount up to one ounce per gallon.

PURCHASERS NOTE: Important notice to purchasers: The following is made in lieu of all warranties, expressed or implied, including warranties on merchantability in fitness for a particular purpose. Purchase or use of this product constitutes agreement with seller and manufacturer that if the proves to be defective or in any way unsuitable, Seller's and Manufacturer's limit of liability for all damages including but not limited to incidental or consequential damages, and users and purchasers exclusive remedy, regardless of legal theory including theories of breach of warranty, negligence, and strict liability, shall be to receive at Seller's or Manufacturer's option, repair of the defective product of equivalent or replacement product or a refund of the purchase price.

Caution:

For Professional Use Only.
Keep Out Of Reach Of Children.
Please read all precautions and SDS
before using this or any product.

Prevention:

Do not eat, drink, or smoke while using this product. Avoid breathing fumes, mist and overspray as much as possible. Use only in well ventilated areas.

Eyes: Wear safety glasses when handling product.

Skin: Wear appropriate gloves to prevent skin exposure.

Clothing: Wear appropriate protective clothing to prevent skin exposure.

Respirators: Follow the OSHA respirator regulations if exposure limits are exceeded or if irritation or other symptoms are experienced.

Precautionary Statements (First Aid):

Eyes: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Remove contact lenses if present and easy to do. Get medical attention immediately if irritation persists.

Skin: Immediately flush skin with plenty of water while removing any contaminated clothing and shoes. Discard contaminated clothing in a manner which limits further exposure, making sure to wash before reuse. Contact a physician immediately if irritation persists.

Ingestion: Do not induce vomiting. If victim is conscious and alert, give 2-4 cups of water. Never give anything by mouth to an unconscious person. Get medical attention immediately.

Inhalation: Remove from exposure and move to fresh air immediately and keep comfortable for breathing. If breathing is difficult, give oxygen. If breathing has ceased apply artificial respiration using oxygen and a suitable mechanical device such as a bag and a mask. Get medical attention immediately if irritation persists.
