

**DESCRIPTION:** This product is an effective and economical stain remover of mildew. Excellent for cleaning those surfaces where mildew stains can build up and become unsightly. This product does contain Sodium Hypochlorite (Bleach) and care should be taken to avoid spraying on colored surfaces or materials that could be affected by a chlorine bleach.

**DIRECTIONS:** Spray cleaner on surface and allow to stand for several minutes. Rinse surface with clear water. If necessary, spray a second time and agitate lightly with a brush or sponge. Rinse surface with clear water.

**DANGER:** It is recommended that protective gloves and safety glasses be worn when using this product. Refer to MSDS for additional safety information pertaining to the use of this product.

**EXPOSURE:** This product may cause moderate to severe irritation and possible tissue damage to eyes depending on exposure. Ingestion may cause nausea, vomiting and diarrhea. Prolonged skin contact may cause moderate irritation, defatting and dermatitis.

**FIRST AID:** Inhalation: Move to fresh air. Consult physician if symptoms persist. Ingestion: Give large quantities of water then several glasses of milk. Get medical attention immediately. Induce vomiting. Eyes: Flush eyes immediately with large amounts of water for 15 minutes, lifting
