

DESCRIPTION: Drain KO is a very effective drain pipe cleaner with no fumes or no odor. Opens obstructions due to grease, food residues, paper and other organic materials. Drain KO will not harm pipes and plumbing. Drain KO also works in sewage lift stations by converting solid organic floating matter to liquid soap for easy flowing to and through pumps.

DANGER: READ THESE PRECAUTIONS BEFORE USING: While using Drain KO, wear goggles or full face shield, rubber gloves and protective clothing such as rain coat or water proof tyvec suit. Drain KO may react violently with water in drain to spatter back out of drain. Keep face and body away from drain when using. Pour Drain KO as into drain opening and immediately place any type large container with opening over drain hole to avoid eruption of drain contents into the area above the drain.

DIRECTIONS FOR DRAINS: Pour 2 to 4 ounces directly into the drain grate. Avoid pouring around drain grate. Allow 10 to 15 minutes then follow with additional doses of Drain KO until drain unstops and begins to flow down drain pipe. Follow this with cold tap water to rinse all materials from around drain into the drain to help flush all loosened materials in pipe down the drain.

If splashing and spitting continues too violently, flush cold water under the container that is covering the drain.

DIRECTIONS FOR LIFT STATIONS: Pour Drain KO directly into the lift station well as close to the pump suction port as possible. The amount of product to break up the solids will depend on how much solids are there. Keep adding Drain KO until all solids are liquified.

DRAIN KO

Heavy Duty Drain Opener and Cleaner

DANGER: POISON/CORROSIVE

PELIGRO: VENENOSO/CORROSIVO

HARMFUL OR FATAL IF SWALLOWED. CAUSES MODERATE TO SEVERE EYE DAMAGE AND SKIN BURNS. KEEP OUT OF REACH OF CHILDREN/MANTENGA ESTE PRODUCTO FUERA DEL ALCANCE DE LOS NIÑOS

Net Contents: 1 Quart (1.85 Liters)

To Reorder Call: (866) 578-4240

Fax: (866) 578-4241 • Part Number: 1013

ALGONQUIN PRODUCTS CO.

1165 Allgood Road • Suite 13 • Marietta, Ga. 30062

POISON
CONTACT CAN CAUSE SEVERE SKIN BURNS AND EYE DAMAGE THROUGH TISSUE DEGRADATION. DO NOT ALLOW THIS PRODUCT TO CONTACT SKIN, EYES OR CLOTHING.

Keep out of the reach of children. Use in well ventilated area. Do not breath the vapors from spraying the product. Product is non flammable. Do not mix with water.

EMERGENCY FIRST AID: EYES - rinse for 15 minutes with potable water occasionally lifting eye lids while flushing, seek immediate medical attention. **SKIN** - rinse thoroughly with water, soak contacted area with an iced solution of baking soda, if symptoms persist, seek medical attention. **INGESTION** - do not induce vomiting, give plenty of water, seek immediate medical attention. **INHALATION** - remove victim to source of fresh air, seek medical attention.
