

### PRODUCT DESCRIPTION:

LIQUID ICE MELT is designed to quickly melt hard frozen ice and keep the resulting water from refreezing. LIQUID ICE MELT is ideal for use on drive ways, side walks, road ways or any other place ice tends to accumulate and present walking or driving dangers.

LIQUID ICE MELT is biodegradable in just a few days when run off enters the ground and in air degrades within a few days up to 10 days.

### DIRECTIONS FOR USE:

Using a pump up sprayer, spray a generous portion of LIQUID ICE MELT over the ice to be melted. Allow a few minutes dwell time for the chemical to work. Re-spray the area if required.

**EXPOSURE:** Severity of injury depends largely on product concentration and duration of exposure. Immediate action is necessary to limit severity of injury. Can cause minor irritation to severe burns and tissue damage to exposed areas of the body. May be harmful or fatal if swallowed.
