

Simply Green All Purpose Cleaner & Degreaser

SIMPLY GREEN is designed to be used as a general purpose cleaner and degreaser. SIMPLY GREEN can be used to clean many hard surfaces such as in hotels, motels, kitchens, garbage areas, maintenance departments, pool equipment, heavy equipment, stadiums & arena seats & equipment, automobile detailing cleaning, fleet vehicles, road repair equipment, construction equipment, boats, ships and marine equipment and areas, etc. SIMPLY GREEN is an extremely versatile multi surface cleaner and degreaser. Its non-corrosive and excellent for removing dirt, grime, grease, oil, mold, mildew, food soils and many other soils from a variety of surfaces. SIMPLY GREEN is useful for cleaning awnings made from a variety of materials such as cloth, vinyl and plastic. Will help to remove the build up of mold and mildew on these surfaces.

DIRECTIONS

For general cleaning: SIMPLY GREEN may be used as is or mixed with up to 15 parts water. Fill a spryer with the SIMPLY GREEN solution and apply directly to the surface to be cleaned. On vertical surfaces be sure to apply the SIMPLY GREEN solution from bottom up. Detail clean from the bottom up and wipe dry from the top down.

For cleaning vinyl: simply spray SIMPLY GREEN, as is or with up to 10 to 15 parts water, onto surface to be cleaned. Starting at the vertical surfaces first then moving to horizontal. Be certain to prevent SIMPLY GREEN from running onto the adjacent paint. Allow the solution to stand for a few minutes, then using a soft bristle brush, sponge or rag, scrub in circular motion. Once all soil has been loosened, rinse with water from the top down. On interior vinyl, rinse with damp to wet soft cloth, then with dry soft cloth. **For oil removal:** spray SIMPLY GREEN as is onto the oil to be removed. Agitate the mixture until all the oil is emulsified for removal. It may then be rinsed to drain or sopped up using rags, paper towels or oil dry.

PURCHASERS NOTE: Important notice to purchasers: The following is made in lieu of all warranties, expressed or implied, including warranties on merchantability in fitness for a particular purpose. Purchase or use of this product constitutes agreement with seller and manufacturer that if the proves to be defective or in any way unsuitable, Seller's and Manufacturer's limit of liability for all damages including but not limited to incidental or consequential damages, and users and purchasers exclusive remedy, regardless of legal theory including theories of breach of warranty, negligence, and strict liability, shall be to receive at Seller's or Manufacturer's option, repair of the defective product of equivalent or replacement product or a refund of the purchase price.

before using this or any product.

Danger!
Causes severe skin burns and eye damage.
Causes serious eye damage.

Prevention:

Do not eat, drink, or smoke while using this product.

Avoid breathing fumes, mist and overspray as much as possible. Use only in well ventilated areas.

Eyes: Wear safety glasses when handling product. Skin: Wear appropriate gloves to prevent skin exposure.

Clothing: Wear appropriate protective clothing to prevent skin exposure.

Respirators: Follow the OSHA respirator regulations if exposure limits are exceeded or if irritation or other symptoms are experienced.

Precautionary Statements (First Aid):

Eyes: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Remove contact lenses if present and easy to do. Get medical attention immediately if irritation persists.

Skin: Immediately flush skin with plenty of water for at least 15 minutes while removing any contaminated clothing and shoes. Discard contaminated clothing in a manner which limits further exposure, making sure to wash before reuse. Contact a physician immediately if irritation persists.

Ingestion: Do not induce vomiting. If victim is conscious and alert, give 2-4 cups of water. Never give anything by mouth to an unconscious person. Get medical attention immediately.

Inhalation: Remove from exposure and move to fresh air immediately and keep comfortable for breathing. If breathing is difficult, give oxygen. If breathing has ceased apply artificial respiration using oxygen and a suitable mechanical device such as a bag and a mask. Get medical attention immediately if irritation persists.

Notes to Physician: Treat symptomatically and supportively. Consult a doctor and/or the nearest Poison Control Centre for all exposures.
