

Extracto Low Foaming Carpet Extraction Shampoo

A high performance, concentrated carpet extraction shampoo that has been designed to remove the toughest stains and soils from all types of carpets. Formulated especially for Truck Mounted Injection Extraction units. Contains a highly concentrated blend of detergents, alkali and brighteners. Pleasantly scented to leave rooms smelling clean.

PRODUCT BENEFITS:

- Designed for use with extraction machines and steam cleaning units.
- Fast breaking formulation.
- Formulated with special easy rinsing low foaming surfactants.
- Cleans and brightens all types of synthetic & natural fibers

USE INSTRUCTIONS:

Dilute 1 quart detergent with 5 gallons water. Set the chemical flow meter 2 gallons per hour. The chemical flow can be increased slightly if more chemical is desired.

Note: if cleaning solution is to be applied directly to the carpets, dilute 1 part Truck Mount with 320 parts water

PURCHASERS NOTE: Important notice to purchasers: The following is made in lieu of all warranties, expressed or implied, including warranties on merchantability in fitness for a particular purpose. Purchase or use of this product constitutes agreement with seller and manufacturer that if the proves to be defective or in any way unsuitable, Seller's and Manufacturer's limit of liability for all damages including but not limited to incidental or consequential damages, and users and purchasers exclusive remedy, regardless of legal theory including theories of breach of warranty, negligence, and strict liability, shall be to receive at Seller's or Manu-

Low Foaming Carpet Extraction Shampoo

Caution:
For Professional Use Only.
Keep Out Of Reach Of Children.
Please read all precautions and SDS
before using this or any product.

Warning!
Causes skin irritation.
Causes eye irritation.

Prevention:

Do not eat, drink, or smoke while using this product.
Avoid breathing fumes, mist and overspray as much as possible. Use only in well ventilated areas.
Eyes: Wear safety glasses when handling product.
Skin: Wear appropriate gloves to prevent skin exposure.
Clothing: Wear appropriate protective clothing to prevent skin exposure.
Respirators: Follow the OSHA respirator regulations if exposure limits are exceeded or if irritation or other symptoms are experienced.

Precautionary Statements (First Aid):

Eyes: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Remove contact lenses if present and easy to do. Get medical attention immediately if irritation persists.
Skin: Immediately flush skin with plenty of water for at least 15 minutes while removing any contaminated clothing and shoes. Discard contaminated clothing in a manner which limits further exposure, making sure to wash before reuse. Contact a physician immediately if irritation persists.
Ingestion: Do not induce vomiting. If victim is conscious and alert, give 2-4 cups of water. Never give anything by mouth to an unconscious person. Get medical attention immediately.
Inhalation: Remove from exposure and move to fresh air immediately and keep comfortable for breathing. If breathing is difficult, give oxygen. If breathing has ceased apply artificial respiration using oxygen and a suitable mechanical device such as a bag and a mask. Get medical attention immediately if irritation persists.
