

Formula 200 Heavy Duty Solvent Based Degreaser

A heavy duty self emulsifying solvent. A petroleum solvent cleaner that will emulsify oils and grease so they may be hosed off. This product will penetrate deep, removing the toughest grease and oils.

Directions For Use:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

This product is recommended to use as is to clean a variety of surfaces. Best to apply to cool surfaces and allow product to dwell for best performance. Rinse applied surfaces after use.

PURCHASERS NOTE: Important notice to purchasers: The following is made in lieu of all warranties, expressed or implied, including warranties on merchantability in fitness for a particular purpose. Purchase or use of this product constitutes agreement with seller and manufacturer that if the proves to be defective or in any way unsuitable, Seller's and Manufacturer's limit of liability for all damages including but not limited to incidental or consequential damages, and users and purchasers exclusive remedy, regardless of legal theory including theories of breach of warranty, negligence, and strict liability, shall be to receive at Seller's or Manu-
