Formula 345 All Natural Cleaner & Degreaser

Formula 345 is an all natural cleaner degreaser that does not contain any petroleum solvents. The product combines citrus and other all natural solvents together with special surfactants and emulsifiers to make it easily usable and rinsable. It is designed to degrease industrial equipment and machinery. This product is very effective when used to remove asphalt and as an asphalt release agent.

Warning!
Causes skin irritation.
Causes serious eye irritation.

Precautionary Statements (First Aid):

Eyes: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Remove contact lenses if present and easy to do. Get medical attention immediately if irritation persists.

Skin: Immediately flush skin with plenty of water while removing any contaminated clothing and shoes. Discard contaminated clothing in a manner which limits further exposure, making sure to wash before reuse. Contact a physician immediately if irritation persists.

Ingestion: Do not induce vomiting. If victim is conscious and alert, give 2-4 cups of water. Never give anything by mouth to an unconscious person. Get medical attention immediately.

Inhalation: Remove from exposure and move to fresh air immediately and keep comfortable for breathing. If breathing is difficult, give oxygen. If breathing has ceased apply artificial respiration using oxygen and a suitable mechanical device such as a bag and a mask. Get medical attention immediately if irritation persists.

Notes to Physician: Treat symptomatically and supportively. Consult a doctor and/or the nearest Poison Control Centre for all exposures.
