

**DESCRIPTION:**

**Cab-n-All Concentrate** is our non caustic truck wash super concentrate designed to clean all types of over the road vehicles. **Cab-n-All Concentrate** penetrates and changes the magnetic charge on the soil contaminating the surface of the vehicle. Once the charge has been negated, the other ingredients take over to surround and suspend the soil so that it may be washed away with the high pressure wand solely. Over 95% of the surfaces to be cleaned can be cleaned with **Cab-n-All Concentrate** without the need for physical agitation. It is truly a no brush truck wash detergent. About 5% of the trailers on the road will not be able to be cleaned without some agitation. Some of these trailers could be cleaned with acid as the first step before applying the **Cab-n-All Concentrate**.

**USE DIRECTIONS:**

Use through pressure washer at the rate of 1 **Cab-n-All Concentrate** to 100 parts hot water onto the surface or make two drums from one and use at 1:50 onto the surface to be cleaned. Apply detergent solution from the bottom up, detail clean from the bottom up and rinse thoroughly from the top down.
