

DESCRIPTION: This thick, high-foaming hand soap is formulated with the mildest detergents, emollients and skin conditioners. Leaves your hands clean, soft and fresh smelling.

DIRECTIONS: Use a small quantity of hand soap rubbing briskly, working into palms of hands and between fingers. Rinse thoroughly with clean water. Product may also be diluted with water to desired viscosity. For food processing establishments, limit the use of this product to toilets, dressing rooms and non-processing areas only.
