Bus Bright

Multi-Purpose Truck & Bus Wash Detergent

Net Contents: On Containers

Caution:
For Professional Use Only.
Keep Out Of Reach Of Children.
Please read all precautions and SDS
before using this or any product.

This product is formulated to remove road film, exhaust deposits, and bug residue from the painted surfaces of buses and trucks. This eliminates time consuming brushing. This product can also be used in pressure cleaning systems to clean painted metal, wood and aluminum siding. This product works in hot or cold water and rinses freely leaving no soap scum. Will not harm pressure washing equipment. Contains no phosphates.

DIRECTIONS:

For heavy duty cleaning dilute 1 part product to 25 parts water. Apply with pressure washer and allow time to penetrate soil. DO NOT allow product to dry on surface. Rinse all treated surfaces thoroughly with clean water. Do not wash vehicles in direct sunlight. Always wash from the bottom to the top and rinse from the top to the bottom.

STORAGE: Store in a cool dry place. Keep container closed when not in use. This product is designed exclusively for industrial and institutional use by trained personnel. This product is sold as is and the manufacturer makes no warranty, express or implied, of merchantability, fitness for a particular purpose or otherwise.

Danger!
Causes severe skin burns and eye damage.
Causes serious eye damage.

Prevention:

Do not eat, drink, or smoke while using this product.

Avoid breathing fumes, mist and overspray as much as possible. Use only in well ventilated areas.

Eyes: Wear safety glasses when handling product. **Skin:** Wear appropriate gloves to prevent skin exposure.

Clothing: Wear appropriate protective clothing to prevent skin exposure.

Respirators: Follow the OSHA respirator regulations if exposure limits are exceeded or if irritation or other symptoms are experienced.

Precautionary Statements (First Aid):

Eyes: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Remove contact lenses if present and easy to do. Get medical attention immediately if irritation persists.

Skin: Immediately flush skin with plenty of water for at least 15 minutes while removing any contaminated clothing and shoes. Discard contaminated clothing in a manner which limits further exposure, making sure to wash before reuse. Contact a physician immediately if irritation persists.

Ingestion: Do not induce vomiting. If victim is conscious and alert, give 2-4 cups of water. Never give anything by mouth to an unconscious person. Get medical attention immediately.

Inhalation: Remove from exposure and move to fresh air immediately and keep comfortable for breathing. If breathing is difficult, give oxygen. If breathing has ceased apply artificial respiration using oxygen and a suitable mechanical device such as a bag and a mask. Get medical attention immediately if irritation persists.
