

# Pine Power Multi-Purpose Pine Cleaner & Deodorizer

A solvent free cleaner specially formulated to replace butyl cleaners without sacrificing performance. Excellent for emulsifying vegetable oil, heavy grease and animal fats. Safe on all hard surfaces not harmed by water.

## Product Benefits:

- Concentrated Formula.
- Naturally Lifts Soil From Surfaces
- Doesn't leave behind residue.
- Removes hard stains without heavy scrubbing.
- Safe to use on all surfaces.
- Powerful Pine Scent
- Cleans and deodorizes in one time saving step
- Utilizes the power of Pine oil.

## USE DIRECTIONS:

Read the entire label before using this product.  
Dilute with water to concentration desired for effective cleaning.  
Use 2-4 ounces of concentrate per gallon for general cleaning. May need to be used stronger for heavier cleaning..

PURCHASERS NOTE: Important notice to purchasers: The following is made in lieu of all warranties, expressed or implied, including warranties on merchantability in fitness for a particular purpose. Purchase or use of this product constitutes agreement with seller and manufacturer that if the proves to be defective or in any way unsuitable, Seller's and Manufacturer's limit of liability for all damages including but not limited to incidental or consequential damages, and users and purchasers exclusive remedy, regardless of legal theory including theories of breach of warranty, negligence, and strict liability, shall be to receive at Seller's or Manufacturer's option, repair of the defective product of equivalent or replacement product or a refund of the purchase price.

## Prevention:

**Do not eat, drink, or smoke while using this product.**

**Avoid breathing fumes, mist and overspray as much as possible. Use only in well ventilated areas.**

**Eyes:** Wear safety glasses when handling product.

**Skin:** Wear appropriate gloves to prevent skin exposure.

**Clothing:** Wear appropriate protective clothing to prevent skin exposure.

**Respirators:** Follow the OSHA respirator regulations if exposure limits are exceeded or if irritation or other symptoms are experienced.

## Precautionary Statements (First Aid):

**Eyes:** Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Remove contact lenses if present and easy to do. Get medical attention immediately if irritation persists.

**Skin:** Immediately flush skin with plenty of water for at least 15 minutes while removing any contaminated clothing and shoes. Discard contaminated clothing in a manner which limits further exposure, making sure to wash before reuse. Contact a physician immediately if irritation persists.

**Ingestion:** Do not induce vomiting. If victim is conscious and alert, give 2-4 cups of water. Never give anything by mouth to an unconscious person. Get medical attention immediately.

**Inhalation:** Remove from exposure and move to fresh air immediately and keep comfortable for breathing. If breathing is difficult, give oxygen. If breathing has ceased apply artificial respiration using oxygen and a suitable mechanical device such as a bag and a mask. Get medical attention immediately if irritation persists.
