SDS BEFORE USING.

### What is Next Step Pro Boost?

A fast rinsing alkaline presoak detergent that will provide quick and effective results. Starts breaking down road film on contact. Contains chelating agents and emulsifier for hard water applications. Specially formulated for operators who need a one step fast acting product.

### Application Dilutions:

Touchless Presoak: 250:1-400:1 or 1/4-1/2 oz / Gallon

Presoak For Friction Wash: 250:1-400:1 or 1/4-1/2 oz / Gallon

Presoak Gun: 250:1-400:1 or 1/4-1/2 oz / Gallon

**Danger!**  
Causes severe skin burns and eye damage.  
Causes serious eye damage.

### Prevention:

Do not eat, drink, or smoke while using this product.

Avoid breathing fumes, mist and overspray as much as possible. Use only in well ventilated areas.

Eyes: Wear safety glasses when handling product. Skin: Wear appropriate gloves to prevent skin exposure.

Clothing: Wear appropriate protective clothing to prevent skin exposure.

Respirators: Follow the OSHA respirator regulations if exposure limits are exceeded or if irritation or other symptoms are experienced.

### Precautionary Statements (First Aid):

Eyes: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Remove contact lenses if present and easy to do. Get medical attention immediately if irritation persists.

Skin: Immediately flush skin with plenty of water for at least 15 minutes while removing any contaminated clothing and shoes. Discard contaminated clothing in a manner which limits further exposure, making sure to wash before reuse. Contact a physician immediately if irritation persists.

Ingestion: Do not induce vomiting. If victim is conscious and alert, give 2-4 cups of water. Never give anything by mouth to an unconscious person. Get medical attention immediately.

Inhalation: Remove from exposure and move to fresh air immediately and keep comfortable for breathing. If breathing is difficult, give oxygen. If breathing has ceased apply artificial respiration using oxygen and a suitable mechanical device such as a bag and a mask. Get medical attention immediately if irritation persists.

Notes to Physician: Treat symptomatically and supportively. Consult a doctor and/or the nearest Poison Control Centre for all exposures.
